

FREE COVID-19 TESTING NOW IN CAMBRIDGE CITY, IN

Who should be tested?

- If you have symptoms of COVID-19, come get tested

Even if you don't have symptoms but you are:

- At high risk because you are over age 65, have diabetes, obesity, high blood pressure or another underlying condition
- A member of a minority population that's at greater risk
- Pregnant
- A close contact of confirmed COVID-19 positive patients when the contact lives with a member of an at-risk population or it is imperative that the contact continues to work

Where? 138 W. Main Street, Cambridge City, IN 47327 **When?** M-F, 8am-8pm

Who pays? Hoosiers will not be charged for testing. If you have health coverage (including Medicare/Medicaid), please bring that information with you.

Why? To help keep you, your family, and your community safe.

What happens? Healthcare professionals will share information just for you and your family – fully CONFIDENTIAL.
